

CandiBactin-BR®

Berberine Formula for Support
of a Healthy Intestinal Environment*

CandiBactin-BR features high quality extracts and crude herbs including berberine-containing plants that support healthy immune and detoxification function.†

- Encourages a healthy intestinal environment and supports detoxification function of the liver and gallbladder.†
- Features 400 mg per serving of berberine sulfate derived from berberis species, along with premium extracts of coptis and Indian barberry roots.
- Provides a proprietary extract of Chinese herbs that includes ginger, licorice, and rhubarb to harmonize the action of other herbs within the formula.

Two tablets supply:

Coptis Root & Rhizome 12:1 Extract (<i>Coptis chinensis</i>)	30 mg
(containing berberine)	
Oregon Grape Root 4:1 Extract (<i>Berberis aquifolium</i>)	70 mg
Berberine Sulfate Trihydrate†	400 mg
A 4:1†† proprietary extract of:	300 mg

Other Ingredients: Microcrystalline cellulose, croscarmellose sodium, stearic acid, silica, magnesium stearate, and coating (deionized water, microcrystalline cellulose, polyethylene glycol, and carrageenan).

Recommendations: Two tablets two to three times daily or as directed by your healthcare practitioner.

Form: 90 and 180 Tablet Bottles 

▲ See Caution on page 9.

Notice: This product contains rhubarb. Read and follow directions carefully. Do not use if you have or develop diarrhea, loose stools, or abdominal pain because rhubarb may worsen these conditions and be harmful to your health. Consult your healthcare practitioner if you have frequent diarrhea or if you are pregnant, nursing, taking medication, or have a medical condition.

† Berberine from *Berberis aquifolium* root bark.

†† Equivalent to 1,200 mg of raw, dried, unprocessed herbs.
