

Ultracare for Kids® Medical Food

Nutritional Support for Children with Food Sensitivities

Ultracare for Kids is a specialty medical food drink mix designed for children with food allergy-related symptoms and atopic disorders.

- Features low-allergy-potential rice protein for children with dairy, egg, gluten, corn protein, or soy protein sensitivities.
- Provides dairy-free calcium—250 mg per serving.
- When combined with the accompanying diet plan, provides high quality nutrition for children with food sensitivities.
- Comes with a detailed Parent Guide explaining product use, a suggested food and snack list with sample menus for elimination diet programs, and a diary for recording diet and symptoms.
- Available in delicious **Vanilla** and **Cherry Banana** flavors.

Serving Size: 1 Scoop (33 g)

Servings Per Container: 21

Nutritional information per serving (Cherry Banana):

Calories	130
